MINUTES OF MC MEETING HELD ON 26.02 2021

No	Details	Action by
1	<p><u>OPENING OF MEETING:</u></p> <p>TKB opened the meeting by welcoming members. TKB presented before the MC MoM dated 10th February, 2021 and it was passed unanimously. TKB requested SB to address the members.</p> <p>SB in his opening remarks welcome Suvashis Mukerjee for attending the MC meeting for the 1st time.</p> <p><u>HOLI CELEBRATIONS:</u></p>	
2	<p>SB started the discussion saying in his opinion, considering the current Covid situation it would be better to avoid any body contact and was not sure whether even Abir was possible and whether we should have only cultural programs. The proposal was placed before the members for discussion.</p> <p>TKB said, considering the increase in Covid cases this year there should be no use of water in any form. And also avoid even colour powde and use only organic ABIR. Physical distance to be maintained as well as Mask to be compulsory. Decor should be in a grand way similar to previous years with DJ and Food stalls.</p> <p>SB felt in view of the curtailments perhaps we could look at cultural programs and suggested that, funds permitting, both “Holika Dahan” & “Holi party” could have cultural programs.</p> <p>SR expressed his full support if the celebrations are in a grand way. He can try to have sponsorship for the cultural program.</p> <p>SM stated that if proper guidelines in place and if we ensured the maintaining of the guidelines there is no harm to play with ABIR only.</p> <p>Majority of the members expressed similar opinion.</p> <p>After discussion it was agreed that:</p> <ol style="list-style-type: none"> 1. Holi will be celebrated without using water, colours. Only ABIR will be used. Proper distancing to be maintained. Wearing Mask is compulsory. DJ and cultural program will be there. Proper Food Stalls also will be there. 2. “Holika Dahan” will take place near the roundabout. Snacks counters and cultural program will be there. Snacks will be available on “Pay and Eat” basis. <p>Discussion/finalisation of the plan will commence soon.</p>	
3	<p><u>POILA BAISHAK:</u></p> <p>SB stated that this year Poila Baishak could be celebrated in a different way. It would be a good idea if we have a good singer and a dance Troup to perform all depend on availability of funds. We can also consider having “Rupankar” the famous Bengali singer if budget permits.</p>	

	<p>SR placed the idea to have a Debate or ADDA inviting eminent personalities to take part. It will be a good interactive session and will be appreciated by the residents. We can have 45 minutes program followed by cultural program.</p> <p>All members appreciated this idea and agreed to discuss further for consideration.</p> <p>SB indicated that there is a possibility to get sponsorship from DIAGIO which may be used to have a grand program.</p>	
4	<p>ANY OTHER MATTERS:</p> <p>Sub-committees Performances :</p> <p>SB expressed his disappointment with the working of some of the sub-committees. This is was affecting not only overall performance of the committee but resulting in responding to the needs of the residents, at times. When asked for examples he said in the AGM in October, some Rules were added / changed and some residents had enquired about the new rule book but he had no answer. There were several other areas where work was behind schedule or information was not forthcoming unless asked for. He enquired from VS about the next Newsletter and was told it is under process.</p> <p>Hence SB request all subcommittee members to meet deadlines</p> <p>On the above note the meeting was adjourned at 9:00 pm</p>
