PRESIDENT'S NOTE

Hi Urbanites,

Wishing you all very happy Durga Puja!

It was so heartenting to see hundreds or Urbanites actively participating & enjoying the sporting competition: 'Khelo Urbana'. Undoubtedly, Urbana is full of talent, there are many hidden talents in juniors, who with proper grooming can compete at state level championship and such competition will help them hone their skills & stamina. Kudos to the organizing team and I urge to plan such competitions more frequently.

Just before Puja, Urbana got a beautful gift in the shape of a fully renovated Library with 1600+ books properly barcoded, categorized in apt catalogues. Now Urbanites can take away the books for reading and a software has been developed in-house for this purpose to keep a track of the same. My heartiest congratulations to the core team who have been working relentlessly for the last 2 months to make it what it is today. Donors are welcome to donate books to enrich the Library. I invite one & all to pay a visit to the Library to get a feel what a great asset it is for Urbana.

We have been monitoring façade cleaning at all Towers and have set a target to clean before Diwali. However, due to resource constraints, UFM could deploy just 2 teams of Spiderman, one at T1 and another at T2 and another team with cradle at T5. If things go as per plan, the façade of all Towers will be cleaned by November 2022.

Happy to share that things on the association formation front are gathering pace. After Puja holidays, Form E will be mailed by BNRI to all owners, which is the first step in the formation.

On the Utsav front, preparations are on full swing. The celebrations on Mahalaya, both in morning and evening were fabulous and set the mood for Puja celebration with such large participation.

We do care for the less fortunate and have planned a couple of Social Service Projects on occasion of Father of the Nation's Birthday.

October is the month of festivals with Durga Puja, Lakshmi Puja, Kali Puja and Diwali. I invite all to actively participate in the rituals as well celebrations to bond like a great Urbana family that pray and celebrate together.

Extending you my warm wishes for a very happy & prosperous Diwali in advance. Be Happy and Stay Safe.

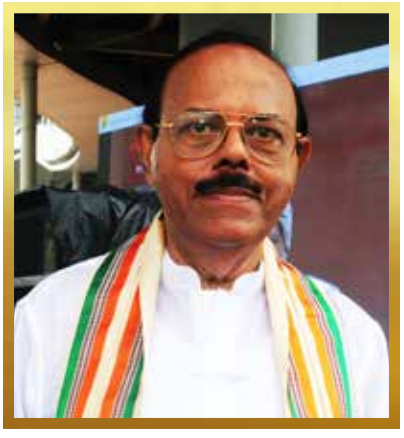
SECRETARY'S REPORT



From the desk of Secretary

We had our fourth Management Committee meeting on 22nd September, 2022. Important issues were discussed and appropriate decisions were taken. We have uploaded the MoM to our website. UWA members can have access to view the MoM by visiting our website www.urbanawa.com.

I am sure you will agree that Tower Captains are performing very well. Our various sub-committees are working hard to accomplish their tasks. We are working hand-in-hand with UFM for the betterment of the residents.

With our continued commitment to uphold our traditions and culture, we will be conducting all our traditional events.

I would like to end this note by extending my sincere thanks to all the donors, sponsors, volunteers, and most importantly, express my gratitude to all my colleagues in the management committee as well as entire team of UTSAV committee for their relentless efforts year after year to make our Durga Puja celebrations a grand success.

TREASURER'S REPORT

Wishing all Urbanites Happy Bijoya!

On behalf of UWA, I express my sincere thanks to all Urbanites and sponsors for contributing generously and thank the entire team involved.

We are complying in time all statutory requirements, e.g. GST and TDS.

Best wishes for all upcoming festivals.

MAHALAYA

The Beginning of Durga Puja Celebration

This year, Mahalaya was observed on Sunday, 25th September. This day marks the embarkation of Maa Durga from Kailash with her children Ganesha, Lakshmi, Saraswati and Kartikeya to visit her father's home on earth.

To welcome her at our Urbana, residents gathered at 4 AM near the Pandal area to listen to the holy verses on the radio called "**Mahisasur Mardini**" which prays to Maa Durga to come to the Earth to kill the evil demon Mahisasur. Many mantras in

it invoke Maa Durga to awaken and help mankind to get rid of all evils - the most famous one being "**Jago Tumi Jago**".

As the sun started to rise, the skies became blue with white clouds floating around, the Urbanites started gathering at Pandal area in their colourful and ethnic attire. **Prabhat Pheri** started at 7 AM, taking round all the 7 Towers singing and dancing all the way, with a brief stop near mist fountain performing couple of songs and dance sequence. As the caravan was passing, residents joined and finally when reached the Pandal area, the numbers kept increasing multifold.

On completing the Pheri, at Pandal area, the first sequence was welcoming Maa in the traditional way with '**Kaash**', by a group of Urbanites in coordinated dresses. It was followed by a vibrant cultural programme to mark the start of the Devi Paksha.

Another team, dressed in ethnic wear of different states, representing India as a country of diversity and Unity, presented multiple dance sequence that won hearts of all present there.

What a visual treat to see the Assamese, Kashmiri, Gujarat, etc, truly resembling United Colors of India. We welcomed Maa Durga to Urbana in contemporary dance styles along with soulful singing by our own urbanites

Evening was well enjoyed by the residents inside the Club Banquet Hall watching the fabulous cultural programmes performed by enthusiastic talented residents, followed by mesmerizing performances that began with Opening Dance, followed by '**Okal Bodhon**' and finally '**Mitti ki Khushboo**'.

'Pujo-Pujo' feeling started pouring in all the hearts of Urbanites and it was definitely one of the most vibrant Mahalaya celebration ever.

ANONDOMELA

29th and 30th September, 2022

Anondomela was organized with fervor and zeal. From eateries to sports to skill, crafts, etc. were there this year. Anondomela prepares the youngsters to become independent by learning basic skills. It's one such fine activity that gives them an opportunity to showcase and brush up skills in the field of hospitality. The parents were involved to get them further motivated by various exercises.

For the first time, this year, Anondomela was organized for two days, and it was a great fun for Urbanites. There were food, fancy items and game stalls by the residents of Urbana. Alongside there were rides for children, puppet show, magic show and many more entertainments. Kids enjoyed their favourite candies and popcorn too.

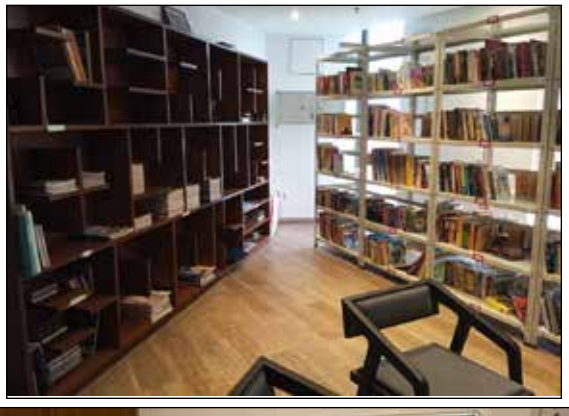
Rules & Regulations

- Membership will be by Apartment number and not by individual names.
- Residents of the Apartment are responsible for the books borrowed and any fines/ replacement costs
- When borrowing, Club Urbana card has to be produced to prove identity
- Per flat, maximum 2 books will be allowed to be borrowed at any time, each for maximum of 2 weeks
- Additional books can be borrowed by paying ₹20 per book per week
- Books can be renewed for a maximum of 2 times. That means max of 6 weeks of borrowing for a book.
- If a book is not returned or renewed in time, the late fee will be ₹10 per day until the book is returned
- If a book is late more than 30 days, the replacement cost must be paid
- The replacement cost for any book is the market price, if still available, or a value determined by the library committee
- A Periodical can be borrowed only if it is not the current issue



Timing

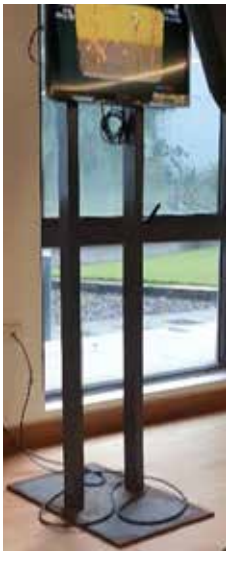
- Library will be open on weekdays from 6 PM to 8 PM, except Monday when the Club is closed.
- On weekends, the library will be open from 11 AM to 1 PM and 6 PM to 8 PM.

Few initiatives have been taken to improve facilities and infrastructure at Indoor sports arena and Gym. While most of the initiatives are in process and will fructify in coming months, few have been completed during the month of September.

- Relocation of Gym TVs – since opening of the gym, 8 TVs were placed on mild steel fabricated stands, these create
  - Unaesthetic look to gym
  - Unhealthy infrastructure
  - Wastage of about 100 sq ft of space

  All TV stands have been removed and TVs have been placed on wall and complete section of treadmill, cycle, rowing machine etc has been adjusted accordingly. This has also resulted in additional space for movement, floor exercises etc.

- Derusting of dumbbells was done



- Dumbbell rake has been relocated to avoid rusting of dumbbells as AC vent was just over the rake location.
- All leftover items by residents at gym and indoor sports arena were collected and kept in lost and found room with a request to all to collect their belongings. The same will be handed over to NGO after 17th Oct, 2022.

Fire Drill

A preliminary fire drill was organized for the residents of Towers 5, 6 and 7 on 22nd Sept, 2022. Residents from other Towers were also informed and encouraged to witness the same.

At the start of the drill, the fire alarm was heard in Towers 5, 6 and 7. The lifts were brought to a standstill at the ground floor and entry into the Towers was blocked. The security was asked to take a headcount of residents who had participated in the drill and come to the staircase area as per the evacuation plan.

Some residents willingly came down to the assembly point at the circular road opposite the Bungalow area. Once the drill ended, it was announced over the PA system for residents to return to their respective apartments .

The fire drill was followed by a very informative talk on fire safety awareness and demonstration of fire extinguishers by the Fire Station Officer from Pragati Maidan. They encouraged the residents to use the extinguishers so that in case of a small fire, action can be taken as soon as the fire starts by using fire extinguishers kept in the lobby.

Another fire drill for Tower 1, 2, 3 and 4 is expected to be organised in April 2023. We would request all residents to participate in maximum numbers to gather awareness of highest level.

SAFETY BEGINS WITH YOU.

Housekeeping Committee Report

Housekeeping Mission

To ensure the cleanliness, aesthetic appeal of all the Towers and their periphery areas, Central Lawn and utility infrastructure.

Façade Cleaning

Window and Façade cleaning is in process. Unfortunately, inclement weather had an adverse impact on the progress. Currently Towers1 and 2 are being cleaned using Spiderman technique and Tower 5 with cradles.

Frisking Station

Entry / frisking of female staff (domestic and otherwise) which was being done near the letter box room in the lobby reception area, used to create chaos at the main entry of every Tower as pointed out repeatedly by residents in various Tower meetings. To facilitate the entry and exit of domestic and other staff (including female), entry/ exit and frisking station, all have been moved near the rear entry door. This initiative, apart from having a clean and uncongested reception area, is also leading to a wow factor when you enter the Tower.

Painting of Metal Structure

UFM has started the process of painting of various metal structures thereby adding to the aesthetics as well as giving longer life to it.

Dustbins

A dedicated dustbin has been placed in front of each Tower on the periphery road.

Cleaning and drying of water bodies in the Central Lawn area is being done regularly. It was essential to avoid any health crisis prevailing in Kolkata.

Central Lawn Area Behind Mist Fountain

Initiatives in Tower 1

Tower Captains of Tower 1 have been working relentlessly – monitoring & coordinating with the HK team of the Tower to improve overall hygiene, aesthetic levels and overall cleanliness of Tower and its perimeter including garden area. They have made it a routine to do the deep cleaning and scrubbing of reception lobby, canopy, sofas, rear entry of Tower, staircase, garden area, perimeter area etc.

Tower Captains have taken up various initiatives to improve overall cleaning standard, attend to the resident complaints, follow-up with UFM and UWA for the developments needed to improve the overall aesthetic looks.

Every month we intend to share initiatives taken by Towers. In the October newsletter, we would be sharing initiatives of T2 and other Towers to follow in subsequent months sequentially.

The Housekeeping committee would like to appreciate the efforts of Tower Captains and thank them for their continued initiatives.

Association Formation Sub-Committee Update

Formation of an Association of Apartment Owners (AoAO) has been a long-cherished desire of the Urbana apartment owners. This has been deliberated and reiterated at various Committee meetings of Urbana Welfare Association (UWA) as also at successive Annual General Meetings (AGM)s over the years.

UWA is pleased to update Urbanites with the development so far:

a. Continuous meetings and interaction with BNRI Directors and the legal team

b. Discussions on the subject with the concerned Government officials

c. Consultation with an experienced lawyer who is well-versed with the subject

d. Interaction with 4 law firms who helped formation of multiple associations

e. Deliberations within the Association Formation Committee and the UWA

All the proposals with their credentials are being evaluated to zero-in by a competent Lawyer/Law-Firm to assign the responsibilities.

As a first step of the process, BNRI will be mailing all apartment owners at their registered mail id - a signed 'Form-E' ('Intention of notice to submit the property under the provisions of West Bengal Apartment Owners Act') - seeking particulars of your apartment as required. This has been signed by three apartment owners, as prescribed.

In the event you have already executed the Power of Attorney for Association Formation at the time of the registration of your apartment, then BNRI already has your required details with them and hence you need not provide the details again.

Should you have any query, please mail at info@urbanawa.com and we will be pleased to address your queries.

Social Work

On the occasion of festivity, and to bring smiles on the faces of all our staff under UFM, 365 sarees were handed over to each and every UFM staff.

45 children from NGO Arsh visited Durga Puja at Urbana on 2 Oct, 2022 — had lunch at Community Hall catered by a reputed caterer. Each of them were handed over a goodie bag to bring smile on their faces. Urbanite Rahul Jha led the initiative.

All UFM staffs were provided with take-away Bhog packets on Ashtami.

Digital Committee

- We have been regularly updating all our digital media connects.
- The minutes of meetings, library catalogue are present on our website.
- The pictures of the events and sponsor details are being updated regularly on social media handles.
- We request you to like and follow the UWA pages in Facebook, Instagram and YouTube.
